A large, fluffy, golden-orange cloud against a clear blue sky. The cloud is the central focus, with its edges glowing and its interior showing some darker, shadowed areas. The sky is a deep, clear blue, providing a strong contrast to the warm tones of the cloud.

An aerial photograph of a beach scene. The top half shows the ocean with white-capped waves washing onto a sandy shore. Numerous people are scattered across the beach, many sitting under colorful umbrellas in shades of blue, green, red, and yellow. Beach towels and other items are visible on the sand. The bottom half of the image is a solid white background with the text 'See the good in yourself and in others.' centered in a black serif font. In the bottom right corner, the text '@isa.digital.teaching' is written in a white sans-serif font.

The background is a vibrant, multi-colored marbled paper pattern. The colors include shades of blue, purple, pink, red, orange, and yellow, swirling together in a complex, organic design. Two thin white horizontal lines are positioned above and below the main text, framing it.
